

CUSTOMER SERVICE CASE

Customer Name: Vikram Rao

Email: vikram.rao@example.com

Phone: +91-9000012345

Complaint Category: Account Access

Complaint Description:

I could not access my account after changing my phone number. The password reset link was being sent to my old number.

Resolution Provided:

The support team verified the account using the standard verification process and updated the registered phone number. The customer successfully reset the password and confirmed that account access was restored.

Escalation Information:

No escalation required.

Supporting Information:

The customer provided the required identity verification information during the support interaction.

Current Status: Resolved
